The motion was made and seconded to adopt the following resolution:

Whereas the Town of Stockbridge is currently a member of the East Central Vermont Telecommunications District NOW, THEREFORE, BE IT RESOLVED THAT: The following residents of the Town of Stockbridge are hereby appointed to the Governing Board of the East Central Vermont Telecommunications District to serve until the last Monday of April, 2019 unless sooner replaced as provided by law:

The motion was made and seconded to approve the minutes of the annual town meeting.

Dave discussed his proposed plans for Lyon Hill with the Board. He was given permission to hire an Engineer to review his plans and complete an engineering study.

The Board will review the numbers for the new truck at the next meeting.

The Board discussed the town vote to require a sticker for the Fast Trash Service. After discussing the matter it was determined that the Board will leave the procedure as is for now but felt that a note should be included in the tax bills reminding everyone of this option.
