

Stockbridge Selectboard – draft minutes

July 5, 2018

Present: Jim Shands, David Brown, Cathy Brown, Lee Ann Isaacson, Gary Kessler, Mark Pelletier and Beth Dawley

The meeting came to order at 7:00 PM. The minutes of the previous meeting were read and approved.

Gary Kessler was present from the Green Mountain Stage Race. They are requesting permission to travel on Blackmer Boulevard on Sunday, September 2nd during the morning. They provided a certificate of insurance. The Board approved this request and signed a Statement of Consent to Use Public Roads. One lane of the road will be open at all times.

The Board approved a paving grant application. The 2018 municipal tax rate was set at \$.5427. Beth was granted permission to purchase a new printer to be used for the reappraisal.

The Board discussed the sand shed grant application. It was determined that the Town will move forward with a grant application as long as the town is not committing to any expense at this time. Dave suggested that the Board consider attending an upcoming meeting scheduled for July 24th where the requirements of the municipal roads general permit will be discussed. Dave has a project planned for the top of Davis Hill. He spoke with the property owner who would prefer that the town not undertake the project. The Board will inspect the property to determine what should be done.

The August 2nd meeting of the Selectboard was cancelled.

The meeting was adjourned at 8:15 PM.

Cathy Brown, Town Clerk
