

Stockbridge Selectboard

August 16, 2018

Present: Mark Pelletier, Lee Ann Isaacson, Cathy Brown, Dave Brown and Joanne Mills

The meeting came to order at 7:00 PM. The minutes of the previous meeting were read and approved.

The Board discussed the adoption of the Zoning Bylaws. They intend to hold their public hearing as required and will then warn an Australian ballot vote.

The Board signed a letter authorizing Cathy to serve as the entity administrator in the System for Award Management.

Zach Cavacas advised the Board that he has received multiple complaints regarding Sandy Michaud's dog on River Road. The dog is off leash and comes into the road when walkers and bikers pass by. The Board will send a letter addressing this issue.

The Board reviewed the survey of the highway garage property prepared by Richard Lunna. In addition, Richard has completed his work on the Davis Hill Road. The Board will inspect the road to determine how the town will proceed.

Dave advised the Board that the Town has been approved for a grant to make repairs to the Gaysville Bridge, including fixing the scour on the abutment, deck repairs and a new expansion joint. He is not certain that the work will be able to be completed this year.

He is also working with the Regional Planning Commission on a Municipal Grants in Aid application. He hopes to replace a culvert on New Boston Road with this grant.

The meeting was adjourned at 8:35 AM

Cathy Brown, Town Clerk
