

Stockbridge Selectboard

April 4, 2019

Present: Mark Pelletier, Jim Shands, Dave Brown, Cathy Brown and Ken Carter

The meeting came to order at 7:00 PM. The minutes of the previous meeting were read and approved.

Ken Carter was present from the local ATV Club. They would like permission to continue to use the same roads as previously allowed. They will provide a certificate of insurance. In addition, they were granted permission to use the trails the weekend prior to opening for trail maintenance. Ken requested that if the Board receives any complaints or has any concerns to please contact him so that the Club can address the issue.

Dave advised the Board that he will be meeting with the State next week to discuss grant applications and the new Town and Bridge Standards.

The Board signed a new contract with A.B.L.E. Waste Management which will take effect on July 1st. Under the terms of the new contract the Fast Trash program will be shared with Pittsfield. On the first Saturday of the month pickup will continue to be at the Stockbridge Town Office and then will be located at 2651 VT Route 100 in Pittsfield on the third Saturday of the month. Residents from both towns can use either location. This will reduce the cost to the town by half.

The meeting was adjourned at 7:55 PM.

Cathy Brown, Town Clerk
