1. Call to Order - 630PM

1. Adjustments to the Agenda – none

2. Discussion – Bruce provided updates on current status. Teacher will have have contact with students and families at least three times per. Currently in the process of setting up an accurate log of contact information and needs for how to get and do work at home. Jen Crowe is working on preK communication. Special educators will also be reaching out and communication with those students. Food service curbside at the schools this week. Next week will be working with butlers to get food and schoolwork delivered on the bus routes. Tara is working with the state about getting reimbursement for the food service. All custodians are meeting and getting trained using CDC standards to deep clean the buildings. Teachers will be in the buildings but scattering out times so there will be no large groups at one time. Need coolers for busses may have them from One Planet Bruce is checking on that. Graduation and things like that are not clear at this time awaiting more information from the state.

4 Is there a place parents can go for resources and is there a way the board can share new resources they hear about for families. Bruce advised to contact your building principals and they are compiling a list.

5. Sara root wondered about delivering meals to senior citizens who also are affected. Bruce felt it could be possible and would speak to Butlers and see how we can help make that happen
