

## Stockbridge Board of Selectmen Special Meeting

March 16, 9:00 AM

Present: Jim Shands, Mark Pelletier, Lori Scott, Dave Brown, and Lee Ann Isaacson (remote)

The meeting came to order at 9:00AM.

### COVID 19 Planning

The board decided to close the town office to the public as a precautionary action. **Action Item:** Lori to create signage for the town office and draft update for the town website and post.

The board reviewed the White River Ambulance recommendations for the Fire Department and First Responders.

**Action Item:** Dave to reach out to determine where to request additional Personal Protection Equipment for the responders and order.

Discussion regarding Meals on Wheels, current utilization and any plan for ramping up if potentially more people may be quarantining at home. **Action Item:** Lori to reach out to MOW (Quin-Town) to get information on their plans

There were concerns that people are getting information from many sites. The board decided to put the key links for the CDC and Vermont Department of Health out on the Town Website as the primary information sites.

The board reviewed the Local Emergency Management Plan (LEMP) and a new Continuity of Operations Plan template (COOP). Completion and adoption of both documents will be on an upcoming Selectboard meeting.

The meeting was adjourned at 9:30AM.

Lori Scott, Town Clerk
