

Select Board Meeting 6/20/2019

- Present Jim, Mark, Dave Brown, Lori Scott, Jesse Bessett, Lindsay Silvia
- Notes from 6/6/2019 read and approved
- Entered Executive Session at 7:10. Out at 7:20
- Dave Brown/ Road report
 - New Truck – Clark to start building the truck 7/1/19. Dave to meet with Fairfield to coordinate other truck parts installation.
 - Met Scott Jensen at Lilliesville Bridge to determine amount of material that can be gleaned from river. He suggested that we look at original bridge plans to determine how much clearance originally was designed and use that as a guide. Issue around ownership of Bridge(Bethel) and impact to Stockbridge's road below.
 - Richard Veilleux starting out on class 4 section of Stony Brook. Dave has old section of culvert that can be re-purposed. This to facilitate future A Johnson and/or Terry McQuire logging operations
 - 10 am Tuesday 6/25 FEMA opening meeting for reimbursement for 4/15 flood damage.
 - Dave & Luke working on ditching throughout.
 - Lilliesville Brook Road repairs are complete. Dave to hydroseed soon
 - Campground access – chain between blocks? Moved & approved. Key to stay at Town Office.
 - Luke on vacation next week.
 - Grants – LaFrancis work originally denied because of lack of grass growing. Subsequent photo proved grass & approved by 2 Rivers
 - Dave concerned with Pittsfield end of Fletcher Brook Road.
 - South Hill culvert past Kleins – Dave to look to replace. Needs to be 3' squash.
- Joanne Mills request for funding speaker for Chervil eradication. \$100 for speaker. Moved to approve the funding.
- Citizen input requesting earlier mowing to deal with invasive species eradication. May need to place article in FY20 town meeting for separate funding.
-
