

Stockbridge Selectboard

July 18, 2019

7:00 PM

Present: Jim Shands, Mark Pelletier, Lee Ann Isaacson, Cathy Brown, David Brown, Matt Peone, Janie Feinberg and Vance Stratton

The meeting came to order at 7:00 PM. The minutes of the previous meeting were read and approved.

Lee Ann updated the Board on the zoning violation she has been addressing on Stockle Drive.

Mark read an email received from William McFadden who owns property on Timber Hawk Road. He is concerned about drainage near his home. Matt noted that he is also experiencing a problem on his land on Route 100. Dave will meet with the State to get their opinion on how to address the issue. He has plans to work on that area soon to remove the berm located on the other side of the road.

Janie Feinberg was present to discuss the school need for a generator. The school had to close due to loss of power and she pointed out that the school serves as the town emergency shelter. They have an estimate and will be looking into grants. They would like financial support from the Town. She will bring further information back to the Board for their review.

Vance noted that Abbott Road needs grading. Dave advised him that they have scheduled that for Monday.

The CDBG-DR2 Flood Damaged Property Subgrant for the Fontaine and Larmie properties were signed by the Board.

The 2019 Tax rate certificate was signed. However, that may be subject to change if it is determined that the education rate was incorrect.

Mark moved to reappoint Dan Levy as Health Officer. Seconded. Cathy will email Dan to confirm he is willing to continue to serve before the appointment is sent to the State.

The Consulting Proposal and Agreement with Perfect Pitch was approved and signed by the Board.

Dave advised the Board that the new truck will be going to Fairfield soon. A conference call with VT Emergency Management and FEMA is scheduled for July 24th at 8:30 PM.

The meeting was adjourned at 8:10 PM.

Cathy Brown, Town Clerk
