

Stockbridge Board of Selectmen -Draft

January 12, 2021 6:00 PM

Zoom Meeting Info: 1 929 205 6099 Meeting ID: 889 1806 9004 Passcode: 010992

Present: Mark Pelletier, Lee Ann Isaacson, Jim Shands, Lori Scott, Bill Edgerton, Sara Poisson, Forrest Newton and other members of the Historical Society

Meeting Called to Order 6:00pm

Bill Edgerton shared with the board that Margaret Perkins has bequeathed her home on Laury Rd. to the Historical Society. The Historical Society would like to accept this opportunity. They have an inspector ready to go and if all goes well in the inspection, would accept the offer. Bill presented a request to add an article to the town meeting agenda that will provide funding of \$4200 to support this opportunity. Jim motioned to put it on the warning. Lee Ann seconded. **Action Item:** Bill will put together the details for presentation at the town informational meeting. Article requesting \$4200 will be added to the warning.

Jim shared the information he received from talking to Jamie Kinnarney and Ethan Bowen regarding the school informational meeting. Jamie recommended that the Selectboard open the meeting and then pass it to the School Board. He also suggested a link be added to the town website for questions and to add the budget information. Ethan told Jim that the articles of agreement committee will be recommending that the two towns select the directors from town and not by at large as it is now. There will be a separate vote on this on Town Meeting day.

Lori shared that the web designer can set up an email response on the website where townspeople can contact her with questions. In addition, he will set up a subscriber option so people can be on the email list for town emails. **Action Item:** Lori will put Jamie's school information on the website.

Discussion revolved around the procurement of a ballot from the School Board to be included in town ballot mailing. **Action Item:** Jim will email Jamie and Ethan to request the ballot. Lori will update the warning language about the school informational meeting on the 23rd.

Jim read the addition to the Selectboard Report. Mark and Lee Ann approved. Lori requested to put this addition on the town website. The Board agreed. **Action Item:** Lori will add to the website.

Lori requested a "Dropbox" sign for the office. **Action Item:** Jim will procure the sign.

The Board continued the discussion of the request from the Historical Society.

Lee Ann stated that she sent a letter to Michael Ketchum regarding clean up. Lori shared that the spotlights from E. Charles Smith's property were on all night creating a nuisance for those across the way. Lee Ann stated she had sent an email but received no response. She said there is a question as to who owns the land. The Board discussed sending the issues to Act 250.

Meeting adjourned at 6:46 pm

Kelly McDermott-Burns, Asst. Town Clerk
